## Training Program on Awareness on Government Job on 10.08.2022

- This Program was conducted for First Year B.E students at Pandian Saraswathi Yadav engineering college on 10.08.2022 by Mr. R. Saravanan., AP/EEE, PSYEC
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Government jobs remain highly sought-after career paths in India due to their prestige, job security, good salary packages and attractive benefits. For those with a Bachelor of Science degree, the public sector offers a wide range of positions well-suited to their technical expertise and analytical capabilities.
- The health care benefits are usually very good. Job security is also pretty good. A lot of people who work in the private sector don't feel secure in their position. Not all holidays are recognized.
